

MOBILE SUITES
BY DOUBLETREE RV

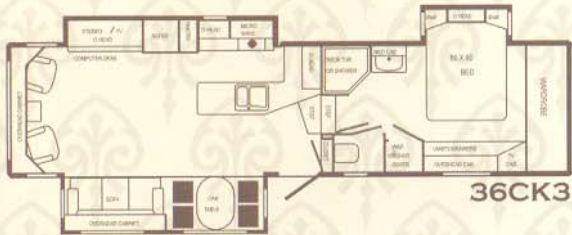

A NEW KIND OF LUXURY ON WHEELS

Some reasons Mobile Suites are the most luxurious:

- Largest water, black and gray tanks in industry
- 115 cu./ft. storage compartment Pat. Pend.
- 15" steel triple box channel frame designed for short bed trucks
- 3-1/4" thick sidewalls with R-13 insulation, R-27 floor with triple underbelly and R-23 roof
- Recessed window treatment
- Aerodynamic bubble front cap
- High end, efficient furnace, 2 stage, 2 speed
- Dual H-ducted air conditioner system for even cooling Pat. Pend.
- L.E.D., 50K hour lighting/bulbs
- Automotive light rated at 50K hours

The cinnamon maple bedroom above and honey oak kitchen below are as nice as any home. Every creature comfort is available in your Mobile Suite.

CABINETS AND DOORS

Choose from four standard interior colors along with two standard wood colors. These designer fabrics feature deluxe, long-wear material. And cabinet doors are solid hardwood versus lumber core, common on other brands.

BRONZE

PLATINUM

You're invited to spend the best years of your life in a DoubleTree Mobile Suite. Attention to detail, fine quality materials and craftsmanship, and luxurious appointments are waiting your next adventure. You deserve this kind of style!

This maple entertainment center also features a computer workstation and file drawers.

Residential window trim is unique because the window treatment is recessed and great looking!

The countertops are a solid surface and granite coated for years of heavy use.

SAGE
